## Terms and Conditions

---

This Pre-Purchase Inspection is not guaranteed to tell the purchaser everything he/she needs to know about their vehicle. The inspection may miss hidden faults that are not identifiable through an external inspection and Rennacs™ Electronic Tests.

Grimmer Motors Vehicle Pre-Purchase Inspection will consist of an external examination, without any removal of parts. This is because it is not feasible for us to dismantle your vehicle to examine parts individually.

We perform limited computer diagnostics which give a snapshot of the vehicle's status on the time of inspection. We do not perform mechanical or electrical diagnostics.

We will endeavour to act with reasonable skill and care when conducting our report. However, we will not be responsible for any future faults, defects or damage to your vehicle from an inspection of this type.

The vehicle report does not guarantee that any parts or systems of the vehicle will continue to operate properly after the inspection.

The vehicle inspection does not contain information about ownership, finance or registration information related to the vehicle.

Grimmer Motors are not liable for any misinformation present in vehicle-related documents such as manuals. Our checklist only states whether the manual is present in the vehicle.

Due to this being a limited Pre-Purchase Inspection, we are unable to warrant the condition of the vehicle. Ultimately, it is up to the purchaser to decide whether they wish to buy the vehicle.

The vehicle Pre-Purchase Inspection is to be carried out for the potential purchaser of the vehicle.

If this report has been purchased on behalf of a business, the provisions under the Consumer Guarantees Act are excluded and Grimmer Motors' liability to the purchaser of the report will be limited to the cost of the Pre-Purchase Inspection only.
